THE LAW FIRM OF TED B. LYON & ASSOCIATES

SERIOUS CASES SERIOUS LAWYERS

For nearly four decades, The Law Firm of Ted B. Lyon & Associates has represented clients injured through the negligence of others. The firm has established a strong record of results, helping people to rebuild their lives in a range of complex litigation cases, including motor vehicle accidents, personal injury, wrongful death, products liability, medical malpractice, and arbitration.

"Clients need a legal team that has successfully tried a case like theirs before," notes managing partner Ted Lyon. "So the first question they should ask before hiring an attorney to represent them is 'When did you last try a case to verdict?' and further, 'Have you tried a case similar to mine?'"

The firm has the trial experience to ensure that corporations are held responsible for their wrongdoing. Its committed advocates have all been recognized for their skillful representa-

tion. Ted Lyon, David Townend, and Bill Zook have been listed regularly in Texas Super Lawyers, while Ron McCallum and Marquette Wolf were both named in Texas Rising Stars. The firm—including attorneys Lyon, Townend, Zook, and Wolf—has been AV® Preeminent™ rated by Martindale-Hubbell® and Lyon, Zook, and Wolf have been recognized by the National Trial Lawyers Association as being among the Top 100 Trial Lawyers in Texas. "When cases involve life-changing events and complex legal issues, clients need a proven legal team," Lyon says. "We approach our cases with the intensity and skill they require and deserve."
