Ted Lyon

At The Law Firm of Ted B. Lyon & Associates, Ted Lyon and Marquette Wolf are key players on a team of highly skilled trial lawyers.

A former Texas state senator, state representative and police officer, Lyon has long been committed to service. His dedication has proven successful as he works hard to protect the rights of injured individuals and families. Concentrating in complex litigation involving personal injury, wrongful death and products liability, Lyon is now listed in *Texas Super Lawyers*® for the 10th year.

Wolf has obtained significant verdicts and settlements for his clients. In June 2012 he achieved stellar results in a jury trial against one of the world's largest military industrial corporations, Fluor Intercontinental Inc. Named in *Rising Stars* for seven years, Wolf now appears on the *Texas Super Lawyers*® list.

"Our record speaks for itself," says Lyon, "and the broad scope of our experience ensures that we have the knowledge and resources to challenge the most powerful defendants."
