TED LYON & ASSOCIATES DALLAS COUNTY

BIG-TIME REPRESENTATION

The attorneys of Ted Lyon & Associates are responsible for some of the largest verdicts and settlements in Texas. Led by Super Lawyers honorees Ted Lyon, Marquette Wolf, Bill Zook and Ron McCallum, the firm vigorously pursues full compensation for its clients.

"Big verdicts, big decisions," says Lyon, a founding partner, and former Texas state senator, state representative and police officer who possesses more than 37 years of complex litigation experience and has dedicated his career to helping others.

Recently, Lyon and Wolf received a significant verdict for C&H, a major construction company in Oklahoma, which was the largest verdict ever in the county of Washington, Okla. Wolf also achieved stellar results in a June 2012 jury trial in Dallas County against Fluor Intercontinental Inc., one of the world's largest military industrial corporations. And in 2011, Lyon and McCallum obtained the largest verdict ever against Greyhound Lines Inc. for their clients in a personal injury jury trial in Dallas County. Visit their website to see other verdicts and settlements, which include significant verdicts against U-Haul and Ford Motor Co.

In cases large and small, any victims of personal injury, motor vehicle accidents, head injury, wrongful death, aviation disasters and other catastrophic losses can count on Ted Lyon & Associates to be a compassionate, daily presence. The attorneys work relentlessly to understand the personal hardships and legal challenges their clients and their families face, and appreciate how delicately lives hang in the balance.

When cases involving life-changing events are on the line, you owe it to yourself to hire a proven, exceptional legal team with experience trying a case like yours. We get results.
