

Ted,

Thank you for helping our family through the loss of Ellie. We know you and your staff did everything possible to ensure the best possible outcome for Ellie and our family. Even though we didn't get the outcome we all wanted, we are so thankful to you and your team. You and your staff are powerful advocates to many. We received more information regarding Ellie's death from your team than the police. As you can imagine it's painful to hear, it's all a family truly deserves to know. Thank you for your passion and dedication to our family.

Thank you, Ami Tommy
